TOORAK BASKETBALL CLUB INCORPORATED

Child Safe Policy

All of our coaches, staff and volunteers must agree to abide by our code of conduct which specifies the standards of conduct required when working with children.

TRAINING & SUPERVISION

Training and education is important to ensure that everyone at Toorak Basketball Club understands that child safety is everyone's responsibility.

The culture at Toorak Basketball Club aims for all coaches, staff and volunteers (in addition to parents/carers and children) to feel confident and comfortable in discussing any allegations of child abuse or child safety concerns.

We also support our coaches, staff and volunteers through ongoing supervision to develop their skills to protect children from abuse.

New coaches, employees and volunteers will be monitored to ensure they understand Toorak Basketball Club's commitment to child safety and that everyone has a role to play in protecting children from abuse, as well as checking that their behaviour towards children is safe and appropriate (please refer to this organisation's code of conduct to understand appropriate behaviour further). Any inappropriate behaviour will be reported through appropriate channels, including the Department of Health and Human Services and Victoria Police, depending on the severity and urgency of the matter.

RECRUITMENT

All people engaged in child-related work, including coaches and volunteers, will hold a Working with Children Check and to provide evidence of this Check where required by law.

FAIR PROCEDURES FOR PERSONNEL

The safety and wellbeing of children is our primary concern. We are also fair and just to personnel. The decisions we make when assessing incidents, and undertaking disciplinary action will always be thorough, transparent, and based on evidence.

We record all allegations of abuse and safety concerns and all records are securely stored. If an allegation of abuse or a safety concern is raised, we provide updates to children and families on progress and any actions we as an organisation take.

PRIVACY

All personal information considered or recorded will respect the privacy of the individuals involved, whether they be coaches, staff, volunteers, parents or children, unless there is a risk to someone's safety. We have safeguards and practices in place to ensure any personal information is protected. Everyone is entitled to know how this information is recorded, what will be done with it, and who will have access to it.

LEGISLATIVE RESPONSIBILITIES

Toorak Basketball Club takes its legal responsibilities seriously, including:

- **Failure to disclose:** Reporting child sexual abuse is a community-wide responsibility. All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to the police.
- **Failure to protect:** People of authority in our organisation will commit an offence if they know of a substantial risk of child sexual abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
- Any personnel who are **mandatory reporters** must comply with their duties.

RISK MANAGEMENT

In Victoria, organisations are required to protect children when a risk is identified (see information about failure to protect above). In addition to general occupational health and safety risks, we proactively manage risks of abuse to our children.

REGULAR REVIEW

This policy will be reviewed every two years and following significant incidents if they occur.

ALLEGATIONS, CONCERNS AND COMPLAINTS

We work to ensure all coaches, staff and volunteers know what to do and who to tell if they observe abuse, and if they notice inappropriate behaviour.

We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place (see information about failure to disclose above).

If an adult has a reasonable belief that an incident has occurred, then they must report the incident. Factors contributing to reasonable belief may be:

- a child states they or someone they know has been abused (noting that sometimes the child may in fact be referring to themselves)
- behaviour consistent with that of an abuse victim is observed
- someone else has raised a suspicion of abuse but is unwilling to report it
- observing suspicious behaviour.
